thewanderingolivedorset@gmail.com

For all evening events, a professional caterer must be present on site. Self-catering is not permitted, as this helps ensure the smooth running of your event.

While we do not have an in-house catering team, we are pleased to recommend a selection of trusted local caterers with whom we regularly work. These caterers are familiar with our venue and are welcome to use our fully stocked kitchen, plates, and cutlery at no additional charge.

Please ensure that your caterer's quotation includes food preparation, service staff, clearing away, and that they remain on site for the full duration of food service.

You are also welcome to appoint your own caterer; however, additional charges may apply for the use of the kitchen, plates, and cutlery, depending on your requirements.

1

If you wish to have a food van on site, a charge of £100 will apply.
